

Minutes of a Meeting of Ciliau Aeron Community Council held on Thursday 2nd December 2021 at 7.30 pm at the Ciliau Aeron Village Hall

Present: Councillor Iwan Thomas (Chairman), Councillors Michelle Davies, Robert Davies, Helen Evans, John Lumley, Alwen Thomas and Ray Williams.
Y Cyngorydd Sir Marc Davies
Denfer Morgan (Clerk).

463 Apologies

Councillors Nigel Davies, Arwel Jones and Gwyndaf Morgan apologised for their inability to attend the meeting.

464 Dyfed Powys Police

It was noted that PCSO Charlotte Carter had attended an open session held before the meeting when several matters were discussed.

When introducing PCSO Carter, County Councillor Marc Davies had referred to the intention of the County Council, in accordance with any direction received from Welsh Government, to introduce an Order which would reduce the 30 mph speed limit on County roads in every area to 20 mph. In welcoming this, it was apparent that its implementation would cause problems to the Police due to a lack of resources.

It was not anticipated that Welsh Government would be introducing a scheme to reduce 40 mph speed limits to 30 mph at this time. Despite that, there would be an opportunity to submit comments prior to any proposals being introduced in the County.

PCSO Carter outlined her role within the community, which included working with schools and with regard to the problem of speeding in several areas working with the Traffic Unit and the GoSafe Team in particular. She referred in particular to the following matters:

- Speeding in Cilcennin. PCSO Carter had already conducted an exercise and drivers had been warned about speeding. Further exercises of this kind would be undertaken.
- It was also agreed to contact the County Council requesting that signs be erected warning drivers to take care as the roads were used by cyclists and horseriders.
- PCSO Carter agreed to investigate the vehicles left on the side of the road near the Chapel on the road to Dihewyd.
- Dog mess. PCSO Carter stated that consideration was being given to making a request to the County Council for legal authority to be given to the Police to deal with people who did not pick up dog mess.

PCSO Carter was thanked for her presentation.
